### Our Pre-Clinical Years...

## ...at Indianapolis

...at South Bend

### ...at Muncie

### ...at Evansville

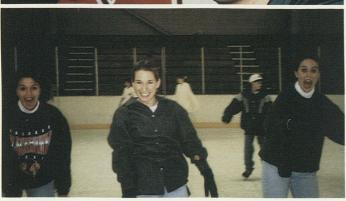

### ...at the Northwest Center

As the leaves softly fell during the autumn Gary days of 1996, a handful of enterprising students at the Northwest Center for Medical Education came together, united in the common task of creating a Mardi Gras-like event entitled "Histofest '96". With the support of our faculty Drs. Hoftiezer and Bankston, and because we all felt histology was cool, but not quite that cool, we started the 'Fest to spice things up a little'. Never were times more exciting than when histo lab rolled around twice a week. The energy charged atmosphere, although quite loud and festive, made learning subjects such as the granulopoietic system fun! And combined with after-hours lab work, the time became like one continuous party! A Histofest '96 logo was created, and plans were even underway for T-shirts, community outreach, and the like, but then 1997 came. And, again, histology was cool, but not quite that cool. -Submitted by Matt Barb

General Surgery University of Tennessee Memphis, Tennessee IT IS NOT THE CRITIC WHO COUNTS, NOT THE MAN WHO POINTS OUT HOW THE STRONG MAN STUMBLED OR WHERE THE DOER OF DEEDS COULD HAVE DONE THEM BETTER. THE CREDIT BELONGS TO THE MAN WHO IS ACTUALLY IN THE ARENA; WHOSE FACE IS MARRED BY DUST AND SWEAT AND BLOOD; WHO STRIVES VALIANTLY; WHO ERRS AND COMES SHORT AGAIN AND AGAIN; WHO KNOWS THE GREAT ENTHUSI-ASMS, THE GREAT DEVOTIONS, AND SPENDS HIMSELF IN A WORTHY CAUSE; WHO, AT BEST, KNOWS THE TRI-UMPH OF HIGH ACHIEVEMENT; AND WHO, AT WORST, IF HE FAILS, AT LEAST HE FAILS WHILE DARING GREATLY, SO THAT HIS PLACE SHALL NEVER BE WITH THOSE COLD AND TIMID SOULS WHO KNOW NEITHER VICTORY NOR DEFEAT.

Princess - You are forever the Joy of Our Lives!
Love, Dad, Mom, Steven and Michael

I Said A Prayer For You I said a prayer for you today and know God must have heard. I felt the answer in my heart although he spoke no word. I didn't ask for wealth or fame (I knew you wouldn't mind) I asked him to send treasures of a far more lasting kind! I asked that He'd be near you at the start of each new day To grant you health and blessings and friends to share your way! I asked for happiness for you in all things great and small, But it was for His loving care I prayed the most of all!

## John A. Botkin

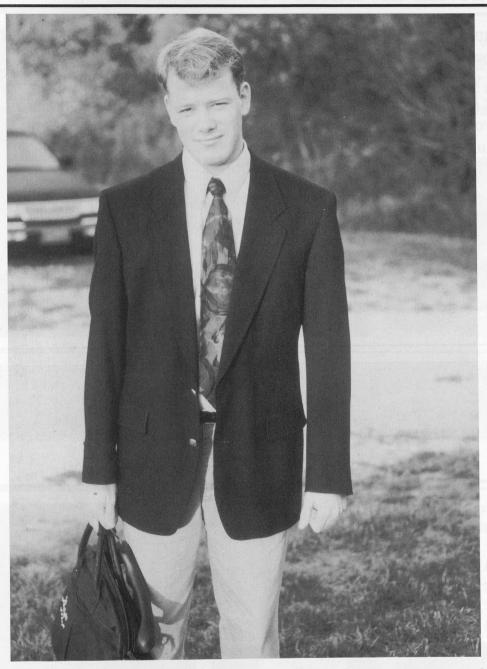

None of us suddenly becomes something overnight.
The preparations have been in the making for a lifetime.
Success lies not in achieving what you aim at,
but in aiming at what you ought to achieve.
We want you to remember that happiness is a direction,
not a destination.

We are very proud of you.

#### Adam Striker

Dear Doctor Striker,

When we looked at those eyes...

What did we see?

A look of wonderment...

Who would you grow up to be?

As we nurtured and raised you...

From a young boy to a man...

Your accomplishments seemed to follow...

According to plan...

Graduating as Salutatorian from high

school...

To obtaining an Engineering Degree from

Purdue

We never thought for one moment,

We could feel any prouder of you...

But then an acceptance to IU Med School...

To pursue your MD...

You saw a goal, and reached to grasp...

Ultimately selecting Anesthesiology...

Adam, now when we look at those eyes...

Do you know what we see?

A bright, caring new Doctor...

To serve and lend support to all humanity.

All our love always, Mom, Dad, Rory, and Lindsay
